

Taslima Imam

timam63@gmail.com

Senior Meteorologist.

Bangladesh Meteorological Department.

Education:

M. Sc. in Physics: Jahangir Nagar University. 1986.

B. Sc. Honors: Major in Physics with Mathematics and Chemistry: Jahangir Nagar University.1985.

Work Experience:

- Currently working as Senior Meteorologist in Charge of International Meteorological Division.
- Twelve years of experience working as an Operational Weather Forecaster and TV weather presenter.
- Ten years of teaching experience as an Instructor in Meteorological Training Institute of BMD.
- Ex. Lecturer of Ispahani Girl's College.
- Ex. Lecturer of Manarat International University.

Professional Training:

- Class II Forecaster's Long Course: Bangladesh Meteorological Department.
- Satellite & Rader Data Interpretation Course on Meteorology: Indian Meteorological Department.
- Training on Advanced Technology in Weather Forecasting for Operational Meteorology: Korean Meteorological Agency.
- Training on Numerical Weather Prediction System: Asian Disaster Preparedness Center, Thailand.
- Training Course on Weather Information Service Dissemination: Japan Meteorological Agency.
- Training on Trainers on Disaster Management: Department of Disaster Management, Dhaka.
- Training on Flood Forecast Technology Development for Disaster Preparedness:: ADPC, Bangkok, Thailand.
- Training Workshop on Numerical Weather Prediction using GCM and NRCM Models: Bangladesh Computer Council.
- On-Site Operation and Maintenance Training for C-Band and S-Band Weather Radar: BMD, Dhaka.
- Regional Training Seminar for National Trainers of RA II and RA V on National Training, Coaching and Mentoring Practices. Seoul, Republic of Korea.
- Training on Application of GIS in Agriculture: BARC Dhaka.
- Training on Database Management for Climate Prediction: Institute of Water Modeling.

Attended Seminars/ Workshops/Meetings last five years:

- SAARC Seminar on High Impact Weather Events and Their Prediction over the SAARC Region. IMD, New Delhi, India.
- SAARC Seminar on Application of Weather and Climate Forecast in the Socio-economic Development and Disaster Mitigation: SMRC, Dhaka.
- Workshop on Disaster Management: IUBAT, Dhaka.
- Seminar on Natural Disasters and Climate Change: North South University, Dhaka.
- Workshop on Programme Announcement and Presentation Technique: National Institute of Mass Communication, Dhaka.
- Seminar on Role of Media Personnel of Disaster Management: NIMCO, Dhaka.
- Second WMO Technical Conference on Women Participation in Meteorology and Hydrology: World Meteorological Department Geneva, Switzerland.
- South Asian Climate Outlook Forum, SASCOF-5, and User Forum on Water Sector: IMD, Pune, India.
- Meeting of the Expert Team on Impact of Climate Prediction for Agriculture: University Brisbane, Australia.
- SAARC Seminar on Severe Thunder Storm of South Asian Region: SMRC, Dhaka.
- Planning meeting on Establishment of flash Flood Guidance System for South Asia: ICIMODE, Kathmandu, Nepal.
- Synergized Standard Operating Procedures for Coastal Multi-Hazard Early Warning System: UNESCAP, Bangkok, Thailand.
- Capacity Building Training Workshop on Seasonal Weather Forecasting: Pune India.

Recent Papers:

- Meteorological Features associated with Brahmanbaria Tornado, 22 March 2013- Proceedings SAARC Seminar on “High Impact Weather Events and Their Prediction over the SAARC Region” IMD, New Delhi, India.
- Some aspects of Heat waves over Bangladesh- Proceedings SAARC Seminar on “Application of Weather and Climate Forecast in the Socio-economic Development and Disaster Mitigation”.
- Some aspects of SW- monsoon and trend of monsoon rainfall in Bangladesh- , SASCOF-5.
